

Help Our Schools!

By clipping the “Box Tops for Education” symbols from General Mills products that you already use in your home, and by saving the “Labels for Education” labels from Campbell’s Company Products, you have the opportunity to help our local Del Rio and Territorial Elementary Schools, and Sacred Heart Elementary School in Prescott gain valuable points towards the purchase of needed items.

A box has been placed in the vestibule for you to place the box tops and labels in. They are divided between the three schools, and distributed to them on a monthly basis.

Thank you for your continued support of our children!
