What is Ordinary Time?

After all the celebrations of the Seasons of Christ, Ordinary Time can feel a bit “blah”. But the liturgical color for the season is green, the color of life. The word “ordinary” has Latin roots which mean “to bring to order”. By taking these two aspects together, Ordinary Time is an invitation from the Church to bring order to our lives, to re-orient ourselves so that we do not miss the real treasures that this season has to offer.

But why? To what purpose? Our time is not spent in feasting – as in the Christmas and Easter seasons – or in fasting – as in Advent and Lent. We have time to reflect on our own life as a disciple in the light that only Christ can give; we have a chance to grow closer to Jesus and deepen our spiritual life. It is a time to walk with Jesus through the Gospels so that our minds, hearts and souls are more and more conformed to the mind and will of Christ. This is one of the goals of Ordinary Time, which is represented by the final Sunday of the liturgical year, the Solemnity of Christ the King. Another aspect of this ‘not so ordinary’ time is that we can acknowledge that we are truly loved by God. The readings from the Gospels, for this part of the liturgical year, delve more deeply into the mission and ministry of Jesus to humanity. This requires that we, in our turn, love God and love others. One of the ways we show our love of God is by spending time in prayer and worship, particularly by participating in the Sunday Mass. Here, the Trinity come to us in a special way, through the gathering of the faithful, through God’s Word and especially through the Eucharist. Nourished by the body and blood of Christ, we are then empowered to be Christ to others – to serve humanity, just as Jesus Christ came to serve us (Mark 10:45). Service requires us to be Christ to those around us, to make a difference by doing God’s good works (Matthew 25:35-40). In so doing, we learn to live more authentically as a Christian. Enabled by God’s love, empowered by Christ’s sacrifice and enlivened by God’s Spirit, we are transformed – there is nothing ordinary about that! However, the true power of the season is only unlocked if you live it. **Perhaps in the Ordinary Time, we may find the extra-ordinariness of the Trinity.**

What is a holy hour?

A holy hour is spending time with God. Just as communication in marriage means listening, so the holy hour means listening; only in this case it means listening to God. Just as you must spend time with our spouse just pursuing the personal relationship of husband and wife, so you must spend time with God. The holy hour places one in the presence of God to do just that.

Why should it be done in the presence of the Blessed Sacrament?

A holy hour can be done anywhere that you can bring your own self before the presence of God. There are several reasons for recommending that this be done in the presence of the Blessed Sacrament. The first is that this is an extension of the Eucharist in which Christ gives himself as our Living Bread for our spiritual life. The second is because it is normally a place without distractions. The third is that in Holy Communion your soul is permeated with God like wax melted into wax. There can be no deeper presence of God here on earth than the one brought to us in transubstantiation. This is why it called the "Real Presence."

What do I do during a holy Hour?

A holy hour is not a project to be accomplished but an exercise of love. You can read a spiritual book, say the Rosary, perform some act of piety which means something in your life, or you can just DO nothing. Just rest with the Lord. The important thing is to realize that you need time apart from the liturgical prayer of the Mass and even obligatory prayers like the Liturgy of the Hours for priests where you experience God's personal care for you alone.

Many people think there is a plaster of Paris image to which they need to conform and they try to look like the statues they see in the church. They do not want to talk about negative or hurtful things in God's presence because they think that this is unfitting. You cannot be like that. You must bring the REAL YOU before God. This means yourself with all the hurts, the warts and the strengths. You must ask God to heal you of your faults and help you to use your strength for his goodness.

Holy Hour for Priests at St Catherine Laboure

Please join us in the Church for a Eucharistic Holy Hour to pray for priests and priestly vocations. We will meet every 4th Saturday of the month at 9:30 am to join our hearts and prayers in a sacrificial offering for our priests. Our next day will be Saturday, July 23rd.

Why did Our Lord, when He spoke of vocations, single out precisely the word pray? Because prayer is the expression of the Christian community and the yearning of the Church.

"Ask, and the gift will come" (Lk 11:9). Can we hope to receive if we do not ask? There are probably hundreds of thousands of vocations hanging from heaven on silken cords; prayer is the sword that cuts them. Archbishop Fulton Sheen, Venerable Servant of God
